GOLDEN MEMORIES '65

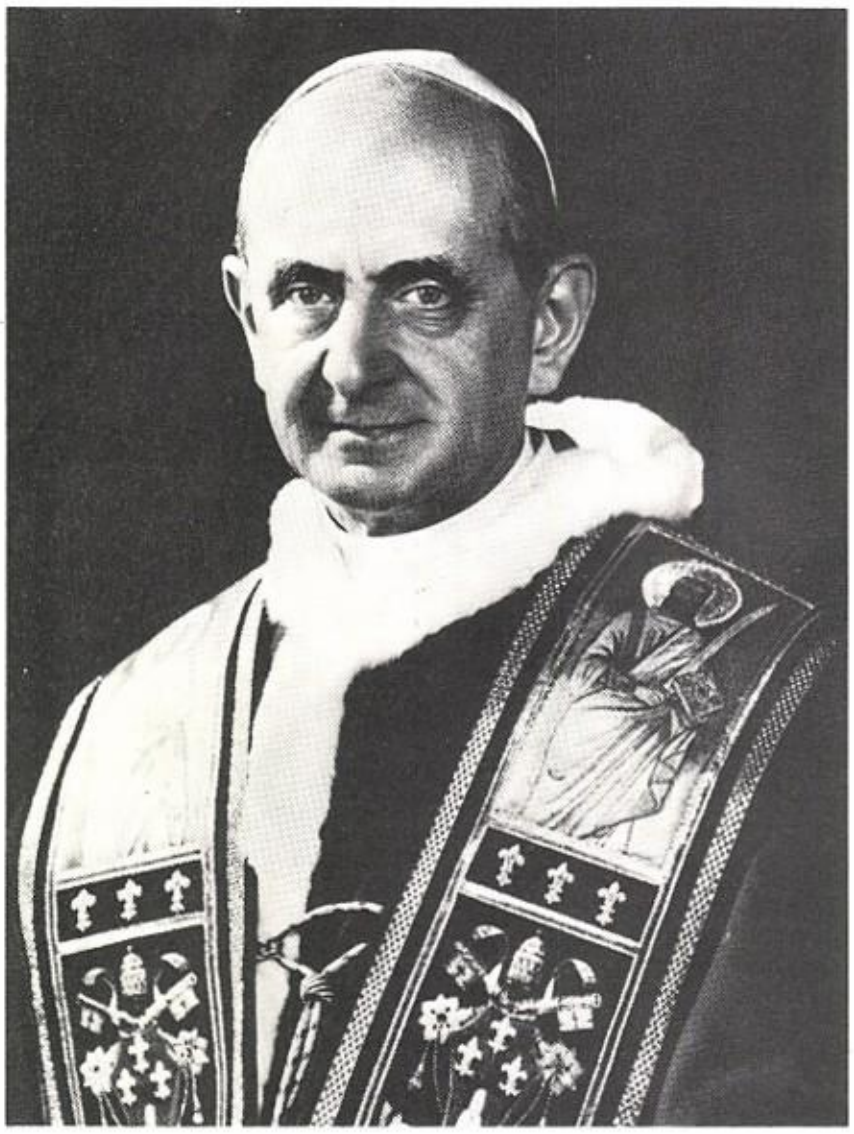
Bishop Dwenger High School
Fort Wayne, Indiana
1965



His Holiness, Pope Paul VI

To whom "golden memories" is proudly dedicated

In the Spirit of the Ecumenical Council, we proudly dedicate our Memory Book to Our Holy Father, Pope Paul VI. In the two years of his Pontificate he has endeavored to continue the work of his predecessor, Pope John XXIII, and the Church has grown, not only in numbers, but also in its understanding of the Bible and the Liturgy, in a vast surge of renewal. His efforts towards friendly dialogue with other religions to further brotherhood, religious freedom social welfare and world peace, are emblazoned upon our minds and hearts for years to come.

The students of Bishop Dwenger are deeply indebted to our beloved Bishop Pursley for his keen interest in the educational facilities of his schools. Through his fatherly concern, zealous efforts and untiring solicitude for his flock, especially his young people, he has produced schools of which all Catholics may be justly proud. Through his guidance, students of Bishop Dwenger High School seek to become the personification of modern Christianity.

The most Reverend Leo A. Pursley, D.D.
Bishop of Fort Wayne -- South Bend, Indiana.

During his two years as Principal of Bishop Dwenger High School, Father Krason has earnestly and sincerely displayed true dedication to both faculty and students. He assumes the triple role of Administrator, spiritual father and teacher. The solid foundation upon which Father has built Dwenger is intended to develop each student's potentialities to the fullest. It is his hope that in learning, living and loving, each may some day recognize his complete responsibility as a Citizen of Two Worlds.

Sister M. Hedwigis, P.H.J.C.

Sister M. Hedwigis, P.H.J.C. is the Assistant Principal and Dean of Girls at Bishop Dwenger. She has contributed much time and energy to aid in the development of the students into exemplary Catholics possessing spiritual, intellectual, social and emotional maturity. Besides her many duties as Vice-Principal, Sister Hedwigis also teaches Math, acts as Dean of Girls, is the moderator of the Student Council and of the Mothers' Club, and is the spiritual superior of the sisters who reside at Bishop Dwenger's new convent.

Students at Bishop Dwenger are offered opportunities for spiritual enrichment through noon-hour Confessions. Taking advantage of this grace are freshman boys, Steve Hydman and Phil Sanborn.
